TOGETHER COLORADO CLERGY & FAITH LEADERS MEMBERSHIP 2018

I believe in the vision of Together Colorado as a statewide non-partisan, multi-faith, multi-racial organization. I support its mission to unlock the power of people in our congregations and neighborhoods to address the community issues that most deeply impact their lives through community organizing. Recognizing our positions as trusted community leaders, I want to work with other clergy and faith leaders through Together Colorado to support this transformational process, building a powerful faith voice for human dignity in Colorado.

I, _____, would like to join or renew my membership in Together Colorado as an individual faith leader. I understand that this includes the following:

- Receive the weekly Together Colorado Faith Voices reflection.
- Receive and prayerfully consider a maximum of 12 Action Opportunities annually, deciding to participate, or not, as so led. *Signers do so as individuals, not as representatives of their institutions.*
- Participate, as able, in a monthly Regional Caucus in a strategic location or with strategic constituencies, working with other Together Colorado clergy and faith leaders on key issues and activities to build our collective voice & power.
Activities could include some of the following: building collective non-partisan relationships with public officials; visiting other faith leaders to build relationships & invite participation; participating in training, skill-building & networking opportunities.
- Develop and/or participate, as able, in local or statewide activities such as prayer vigils, press conferences or actions on issues that enhance human dignity in Colorado.
- Consider exposing to or engaging my congregation in one or two larger federated events or campaigns during the year.

The Following Issues are of particular interest to me:

- Economic Justice
- Education
- Public Safety, Mass Incarceration
- Healthcare
- Immigration
- Other: _____
