

Estimada Junta de Educación del Estado de Colorado:

Nosotros, los abajo firmantes, representamos a los miembros de la comunidad del distrito escolar Adams 14: familias, estudiantes, maestros y aliados en todo el estado. Escribimos esta carta para abordar las decisiones que tomaron y finalizaron los miembros de la Junta de Educación del Estado de Colorado en mayo de 2022; para quitar la acreditación del distrito escolar Adams 14 y comenzar un proceso de reorganización. Como comunidad, nos sorprendieron y nos decepcionaron estas decisiones. Inequívocamente, no apoyamos estas decisiones y creemos firmemente que esto sería un error.

Estas decisiones, si continúan, tendrán un impacto severo en nuestros niños y nuestras familias. Todos los niños, independientemente de su raza, el idioma que hablan en casa o cuánto dinero gana su familia, merecen acceso a una educación pública de alta calidad en su propia comunidad. Si estas decisiones avanzan, los niños de nuestra comunidad serían despojados de su identidad, su orgullo comunitario y el derecho básico de asistir a la escuela en su propio vecindario. En lugar de gastar esfuerzo, tiempo y recursos en tácticas inapropiadas y destructivas, podemos usar esta energía para buscar soluciones juntos.

El Distrito Adams 14 ha sido, y continúa siendo, la columna vertebral educativa de nuestra comunidad. Muchos graduados de Adams 14 han continuado su formación profesional y han vuelto a ejercer su profesión en nuestra comunidad. A pesar de las adversidades que ha enfrentado nuestro distrito, nuestros estudiantes testifican que las escuelas de nuestro vecindario han sido clave para su éxito y bienestar. En Adams 14, nuestras escuelas son más que simples edificios, son lugares donde los estudiantes se sienten como en casa, seguros y apoyados.

Estamos comprometidos a trabajar en unidad con la Junta y queremos extender una cálida invitación para que nos visiten y escuchen directamente de nuestros estudiantes y familias. Pero antes de que eso suceda:

Nosotros, como padres, estudiantes y otros miembros de la comunidad de Adams 14, urgimos y exigimos que la Junta de Educación del Estado se retracte de las decisiones tomadas en Mayo del 2022.

En seguida encontrará 1492 firmas de miembros de la comunidad y aliados.

Dear Colorado State Board of Education:

We the undersigned represent community members of the Adams 14 school district- families, students, teachers- and allies throughout the state. We write this letter to address the decisions that were made, and finalized, by the members of the Colorado State Board of Education in May 2022; to remove the accreditation of the Adams 14 school district and begin a reorganization process. As a community, we were surprised and disappointed by these decisions. Unequivocally, we do not support these decisions and strongly believe this would be a mistake.

These decisions, if enacted, will have a severe impact on our children and our families. Every child- regardless of their race, the language that they speak at home, or how much money their family makes- deserves access to high-quality public education in their own community. If these decisions move forward, our neighborhood kids would be stripped of their identity, their community pride, and the basic right to attend school in their own neighborhood. Instead of spending effort, time, and resources on inappropriate and destructive tactics, we can use this energy to look for solutions together.

Adams 14 District has been, and continues to be, the educational backbone of our community. Many Adams 14 graduates have continued their professional training and returned to practice their profession in our community. Despite the adversities our district has faced, our students testify that our neighborhood schools have been key to their success and wellbeing. In Adams 14, our schools are more than just buildings, they are places where students feel at home, safe, and supported.

We are committed to working in unity with the Board and want to extend a warm invitation to visit us and hear directly from our students and families. But before that happens:

We as parents, students, and other members of the Adams 14 community urge and demand that the State Board of Education retract the decisions made in May , 2022.

Please find below 1,492 signatures from community members and allies.
