Housing For All In Boulder County

No matter where we come from, what we look like or how much we earn, we all need a warm, safe, and stable home where we can raise our families, put down roots, and get involved in our communities.

But Boulder County is becoming increasingly expensive, and there are not enough affordable homes to keep our friends, neighbors, and community members housed.

Many community organizations and elected officials have endorsed 1B because it helps solve our most significant community problem.

Ballots will be mailed October 16. You must vote or turn in your ballot by November 7, 2023.

Using an existing funding source, **County Issue 1B** will create about \$17 million per year for 15 years for **affordable** and **attainable** housing in Boulder County.
